- HSC

| | |
|---|---|
| **Shant Sadan High School, Lonavala** | **2010 - 2011** |

- SSC

## Skills

**Power BI:**
1. Data Modelling
   - Importing data from various sources
   - Creating and managing relationships between different datasets
   - Data modelling basics (star schema, snowflake schema)
2. Data Transformation
   - Using Power Query for data cleaning and transformation
   - Calculated columns and measures using DAX
3. Data Visualization and Reporting
   - Creating interactive reports and dashboards
   - Visualizations (bar, line, pie charts, maps)

**SQL:**
1. Basic
   - SELECT statements with WHERE, ORDER BY, GROUP BY, HAVING
   - Basic JOINS (Inner, Left, Right, Full outer Join)
   - Creating and using simple databases and tables
   - CRUD operations
2. Intermediate
   - Aggregate functions (COUNT, SUM, AVG, MAX, MIN)
   - Subqueries and nested queries
   - CASE statements for conditional logic in queries
3. Advanced
   - Data manipulation (INSERT, UPDATE, DELETE)
   - Optimization with indexing.

**Python:**
- Data Structures and Algorithms
- Database Management Systems
- Python Programming
- Data Analysis and Visualization
- Web Scraping and Data Mining
- Programming Languages: Python (Proficient)
- Tools/Libraries: Pandas, NumPy
- Data Cleaning and Transformation

## Projects

**Adventure works Dashboard Using Power BI.**
- Designed and developed a comprehensive dashboard for tracking Total revenue, Total Profit, Total Orders & Return Rate.
- Utilized DAX to create key performance indicators and implemented matrix visualizations to address customer needs effectively.
- Key achievements: addressed Customer needs by Using Matrix Visualizations, Proficient in creating measures using DAX, developed analytical and visualization skill, illustrate expertise in choosing appropriate charts types, efficient in problem solving through online research.

**HR Analytics Dashboard Using Power BI.**
- Developed a dashboard tracking Attrition, Attrition Rate, Average Salary, and Average Tenure, addressing employee satisfaction needs.
- Utilized DAX to create key performance indicators and optimized visualization for clear insights.

## Work Experience

**MSC Shipping Service Center Pvt Ltd |** Asst. Team leader                    **Aug'19 - Oct'23**

- Overall Management responsibility.
